NUNAVUT FISHERIES AND  
MARINE TRAINING CONSORTIUM

## EXECUTIVE DIRECTOR

The Nunavut Fisheries and Marine Training Consortium (NFMTC) is seeking a strategic and hands-on leader to serve as its next **Executive Director**. Based in Iqaluit, Nunavut, this key role involves overseeing all aspects of operations, marine training program delivery, stakeholder engagement, financial management, and facilities oversight in.

You will shape the future of Nunavut's fisheries workforce, work closely with the Board and partners, lead innovative programming aligned with industry needs, and ensure NFMTC continues to deliver high-quality, accredited fisheries and marine training.

### Qualifications:

- University degree or diploma in business, project management, or related field
- 10+ years' experience in marine training or education
- 5–7 years in operations/facility management
- Experience with not-for-profits and contribution agreements
- Excellent leadership, communication, budgeting, and organizational skills
- Inuktitut fluency is an asset; valid driver's license required

A comprehensive and competitive compensation package is available and will be negotiated with the successful candidate.

### How to Apply:

Send your resume and cover letter to
