

Certified Heavy Equipment Mechanic

The Hamlet of Gjoa Haven is a northern municipality making major investments in public infrastructure! With nearly \$4 million in new equipment purchased last fall, we are looking for a skilled mechanic to join our team in keeping our fleet running safely and efficiently. If you're looking for meaningful work, career opportunities, and a chance to be part of a welcoming northern community, please apply to discuss this opportunity further.

Our Public Works Director is a Red Seal Mechanic, and you would work with a 2nd year apprentice and a trades helper in our shop.

Relocation assistance and staff accommodations are available for qualified candidates from outside the community.

Key Responsibilities:

- Maintain, repair, and inspect municipal equipment including water/sewer trucks, heavy equipment, and vehicles
- Diagnose and resolve mechanical, hydraulic, and electrical issues
- Ensure safety compliance and operational reliability
- Collaborate with operators and the Public Works team to support municipal operations
- Maintain relevant documentation for work completed
- Assist in overseeing / documenting the work of one or more apprentices

Qualifications:

- Red Seal Mechanic
- Experience maintaining and repairing a variety of heavy equipment.
- Strong diagnostic and troubleshooting skills.
- Valid driver's license.
- Willingness to live and work in a remote northern setting.

Compensation per collective agreement, in a 40-hour work week

- \$48.57/hour + Northern Settlement Allowance of \$6.11/hour

More on Compensation and Benefits

We value the well-being of our team and are proud to offer a supportive and competitive package, including:

- A Northern Living Allowance to offset living costs.
- Comprehensive health, dental and extended benefits program.
- Pension program to help you plan for the future.
- Vacation Travel Assistance to support your time away from community.
- Paid vacation, sick leave, and special leave entitlements.
