A tall, conical stack of flat, grey and brown stones sits on a rocky, moss-covered hillside. The stones are stacked in a somewhat irregular but generally conical shape, with some larger stones at the base and smaller ones at the top. The hillside is covered in dark, grey rocks with patches of green moss and small tufts of grass. In the background, more rocky hills are visible under a bright blue sky with scattered white clouds. The overall scene is a natural, outdoor setting, likely a coastal or island landscape.
