

HELP FOR NEW PARENTS, expecting parents and new babies!

*FREE Newborn Wellness Kits,
including a diaper bag full of
baby products, are now available.*

Newborn Wellness Kits also include educational material and items that promote healthy parenting and babies.

Register for a Newborn Wellness Kit at your next prenatal visit, the first step in accessing community health services during pregnancy and after the baby arrives.

For more information, email:
newbornwellness@gov.nu.ca

**Attend your prenatal visit at your local Health Centre
to register for your Newborn Wellness Kit.**
